THE REDWOOD

University Of Santa Clara
Santa Clara, California

it pounds on the shore
restless as a young heart

How can we be sure of anything
the tide changes.
The wind that made the grain wave gently yesterday
blows down the trees tomorrow.
And the sea sends sailors crashing on the rocks,
As easily as it guides them safely home.
I love the sea
But it doesn't make me less afraid of it
I love you
but I'm not always sure of what you are
and how you feel.

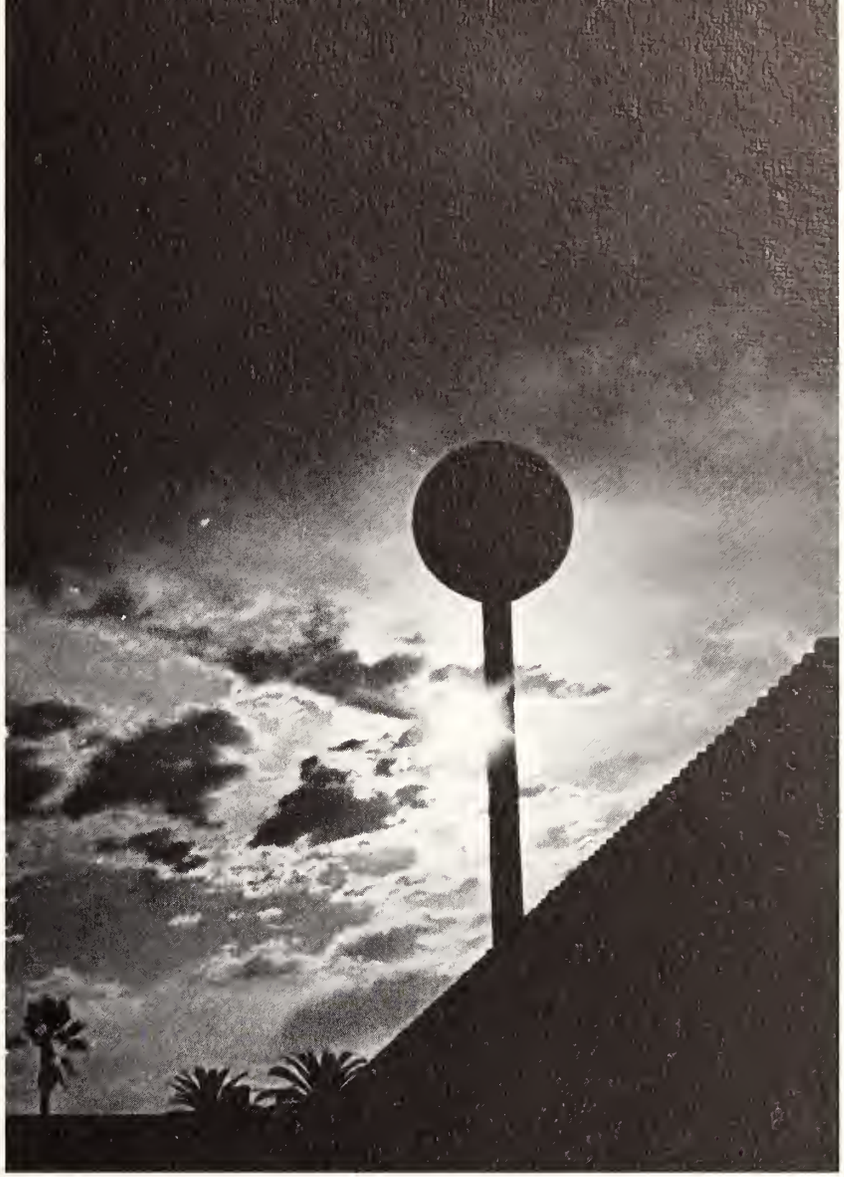
What does one person give to another? He gives of himself, of the most precious he has, he gives of his life.

Eric Fromon

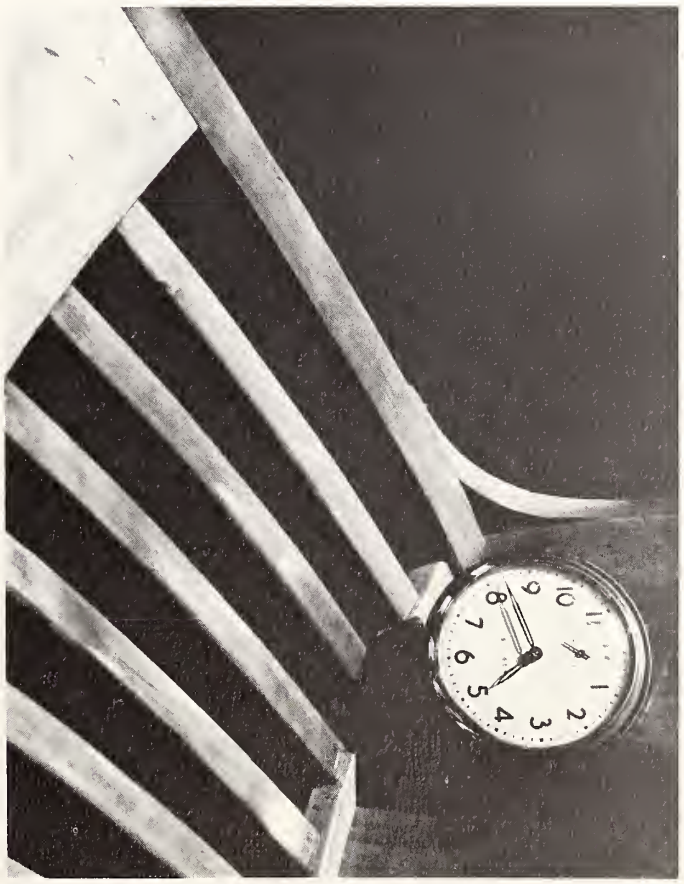


You are blind
and I am deaf and dumb
So let us touch hands
and understand.

Unknown

To let life leak out, to let it wear away with the mere passage of time, to withhold giving it and spending it is to choose nothing.

Robert J. Fox



You feel you are hedged in, you dream of escape, but beware of mirages. Do not run or fly away in order to get free, rather dig in the narrow place which has been given to you; you will find God there and everywhere. God does not float on your horizon, he sleeps in your substance. Vanity runs, love digs. If you fly away from yourself, your prison will run with you and will close in because of the wind of your flight; if you go deep into yourself it will disappear in paradise.

Gabriel Marcel

Will we ever reach
The point where
the road touches
the sky?

There is no point
There is only moving
We leave ourselves behind
Our wheels unwind us
What do we find at the end?
Ourselves again, but changed

Alastair Reid

DEDICATION

Thomas D. Terry

In March, 1968, the Reverend Thomas D. Terry, S.J. became the twenty-fifth president of the University of Santa Clara, succeeding the Very Reverend Patrick A. Donahoe, S.J.

Father Terry entered the Jesuit Society in 1939 and was ordained a priest in 1952. He received his A.B. and Ph.I. degrees in philosophy in 1945 and 1947, and a B.S. degree in Chemistry, in 1947, all from St. Louis University. He also received an S.T.L. (Licential in Sacred Theology) from the University of California at Davis in 1959.

Father Terry has been the academic vice-president at Loyola University, Los Angeles, for the past one-and-a-half years. Previously, he was Dean of the College of Arts and Sciences at Santa Clara.

As Dean Father Terry was instrumental in bringing the quarter system to Santa Clara. The new academic plan divided the academic year into shorter periods and reduced the number of courses taken by the students, allowing them to have more time for independent study and to acquire a deeper understanding of the subject.

Father Terry initiated the Arts and Architecture Department. A promoter of the fine arts, he continually sought a greater role for the fine arts in the undergraduate curricula and it was under his administration that the proposed fine arts center was conceived.

It was also during his administration that the Edward J. Daly Science Center was built.

In view of past accomplishment and service to the University and in a welcoming spirit, we proudly dedicate the 1968 REDWOOD to Father Terry.

CHRISTIAN-

The second Christian-Marxist Dialogue held in the United States was held at Santa Clara under the auspices of the Center for the Study of Contemporary Values. Father Eugene Bianchi, director of the Center, introduced the three-day conference on "The Search for a New Humanism,".

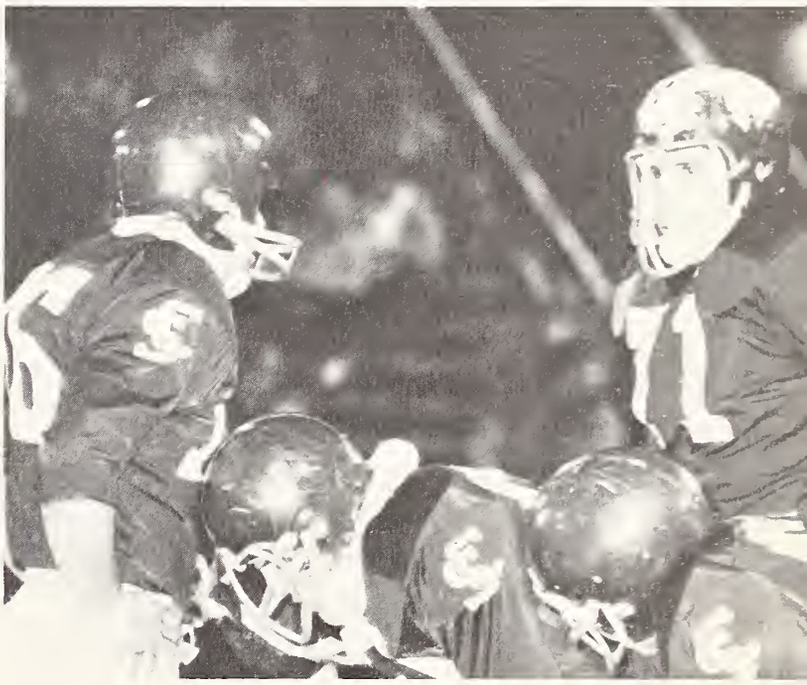
The first three sessions of the Conference set the stage and created the spirit within which a dialogue was possible. The main speaker at the opening session was Dr. John Somerville, professor of philosophy at California Western University. He suggested that if we have basic fears about our survival, then Christians and Marxists, each have equal rights, should accept each other on equal terms and then combine in a rise to the future, a new humanism.

MARXIST DIALOGUE

A major point of difference brought up in the discussion was made by Father Fagothey of Santa Clara's philosopy department. He said that Christianity and Marxism are irreconcilable on the point of immortality. But Dr. Robert S. Cohen, chairman of the department of Physics at Boston University, author, and active member of the Marxist Institute, stated that Marx says religion has the right quest but the wrong answers and that answers are what are important. Dr. Cohen also pointed out that there do exist other beliefs and that other good honest people possess these other beliefs. These realities must be faced before any progress at all can be made.

The three-day session was climaxed by the appearance of Dr. Herbert Aptecker. Dr. Apthecker is the head of the Marxist Institute and an internationally-known Communist. His appearance was highly controversial but most interesting to all who attended the dialogue.

1967 proved to be the year of the Bronco for Santa Clara University's hard-hitting gridiron eleven. It all started in the season opener at Fresno against the nationally-ranked Bulldogs. Fresno State showed signs of overpowering the Broncos for the majority of the ball game, gaining a decided advantage in both offensive and defensive team statistics. But the breaks went the way of the Broncos, and like the clutch team that they are, the Santa Clara crew cashed in, as they were to do all season. A recovered fumble by defensive back Steve Scully turned into a 55 yard touchdown romp. Later in the ball game Tommy Williams picked off a Bulldog Aerial on his own 40 yard line with nothing in front of him but greener pastures. He took it in to nail the lid on the Bulldog coffin. The Bronco defensive unit, anchored by tackle Paul Giacalone, held the Fresno State crew constantly on the crucial third down situations to pave the way to the upset win.



BRONCOS RISE TO NATIONAL GRID FAME

The win in Fresno gave the Broncos much needed momentum. For the following weekend another nationally-ranked eleven was to invade Buck Shaw stadium to do battle with SCU. The Gators of San Francisco State boasted the top passing attack in the country. The Gators led 21-14 with ten minutes to go when the Broncos got going. A 10-play 78-yard drive knotted the score at 21-all with minutes to play and set up the climax. The Broncos regained possession and drove to the San Francisco State 11 yard line. There were 40 seconds remaining when Darryl Stowers made a circus catch of a Calcagno aerial in the corner of the end zone to notch the win. The Cinderella team was on its way.

The next big test came at Buck Shaw stadium against a little known but extremely tough Logger eleven from the straits of Puget Sound. The Broncos were down most of the way, but again became the flower that bloomed last and sweetest. Trailing 17-14 with ten minutes to play, the Broncos marched to the Logger 12 yard line where a Calcagno to Lusich pass gave Santa Clara 21-17 win. Coupled with a previous easy victory over San Fernando Valley State, the Broncos were reeling with four in a row.

The Santa Clara unbeated train rolled through three more whistle stops without a hitch. The Homecoming tilt against Whittier was a 40-13 laugher. The following week against UC Davis was even more embarrassing at 49-8. Cal Poly (SLO) put up light resistance before bowing 28-7. But with seven straight wins, the Broncos were about to meet their Waterloo.

Pat Malley Honored As Nor-Cal Coach of the Year

Everyone knew from the beginning that the game at Santa Barbara would make or break our season. Unfortunately for Santa Clara, the Galloping Gauchos turned out to be more like the destroying steamrollers. The Broncos suffered their first defeat 34-7 on a dark, dark day. A 28-18 win over Cal Poly (Pomona) salvaged a great 8-1 season, the finest of the modern era. Their success resulted in a national ranking among small colleges and a well-deserved honor for Coach Pat Malley as Northern California Coach of the Year.

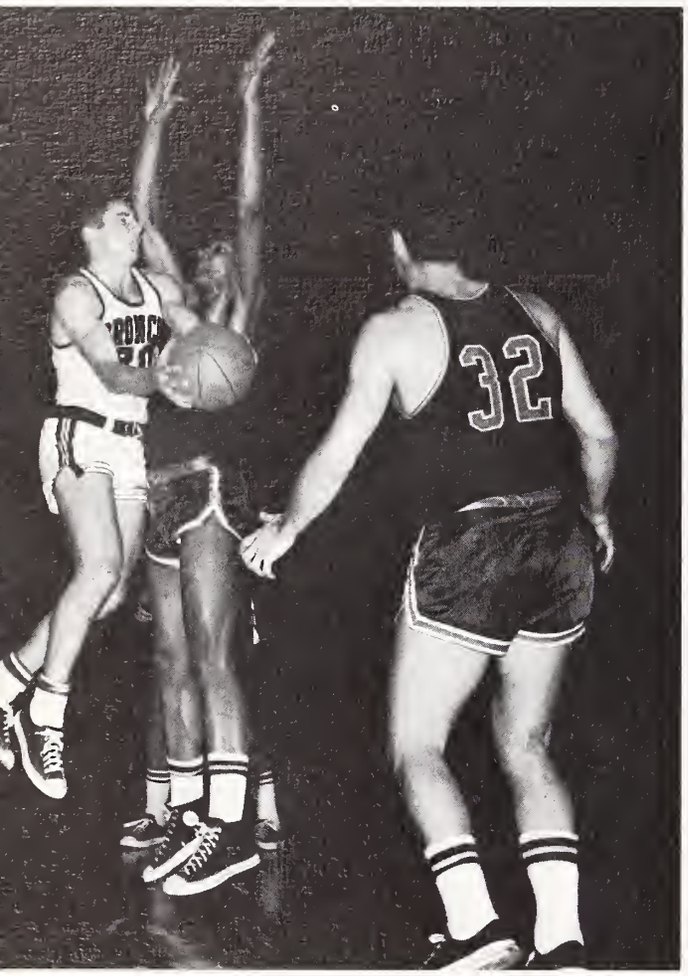
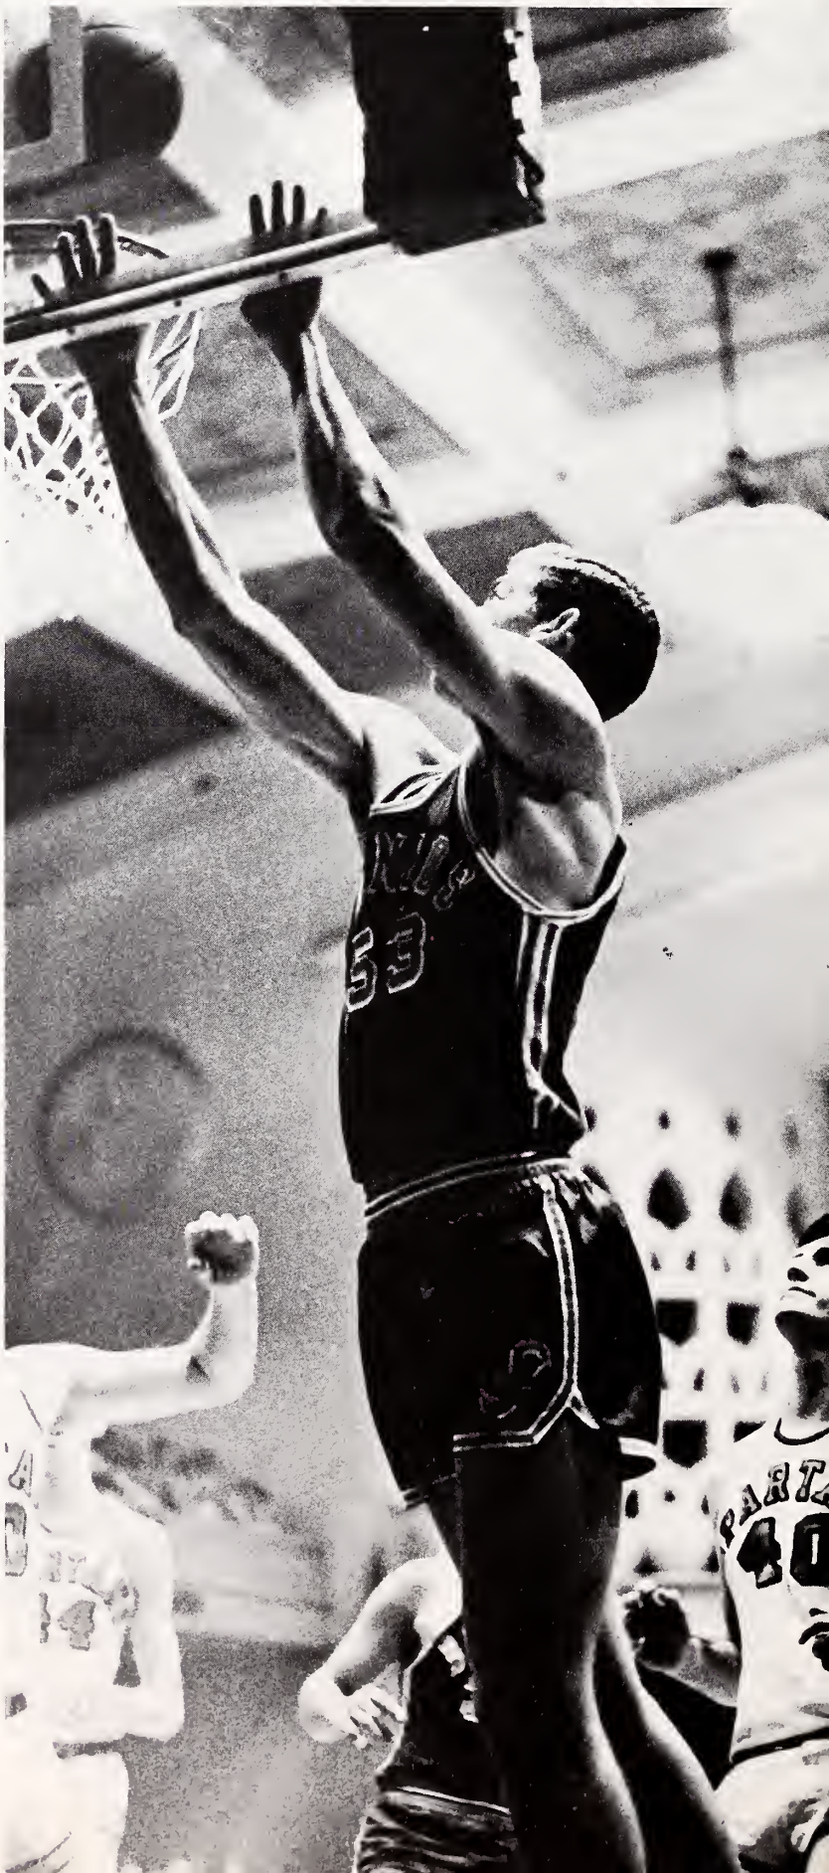
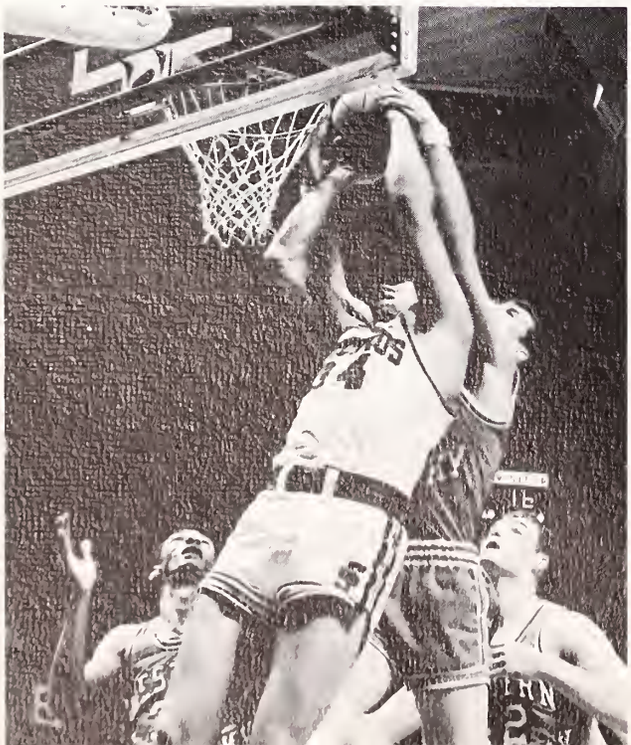
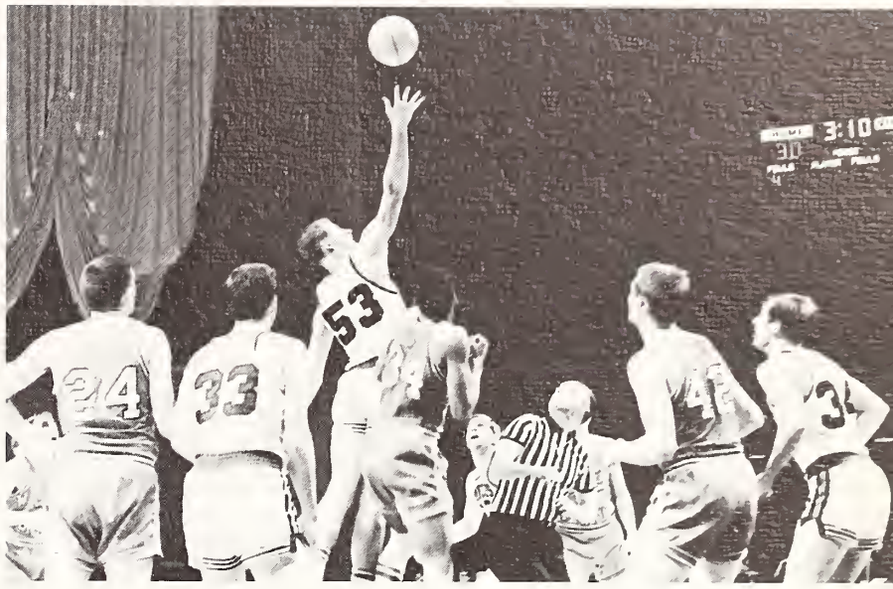
Santa Clara Gains National Basketball Fame







BRONCOS CAPTURE CABLE CAR CLASSIC



With a young, talented, but woefully inexperienced basketball team, the Santa Clara Bronco basketball team turned a question mark year into a fantastic success. In the season opener against San Francisco State, the Broncos looked like the third best team in the country, right behind the Celtics and 76ers. A 56-point victory over the toothless Gators catapulted Santa Clara hopes far beyond reality, but indeed the potential for a fine team was there.

The high point of the pre-season came at the Cable-Car Classic in San Francisco. The Broncos scored back-to-back wins over Loyola of Chicago and Western Kentucky, both nationally ranked, to take the title. A big reason for the sharp early season form was Bud Ogden, a 6'5" foward who goes to the basket more powerfully than a locomotive. The big guy combined with veteran Bob Heaney to give the inexperienced Broncos much needed punch and coolness under fire.

BOB GARIBALDI NAMED NOR-CAL HOOP COACH OF THE YEAR

Another major accomplishment for Santa Clara in the pre-season was the defeat of the powerful Brigham Young team on the Cougers own home court at the famed Utah campus, an almost unheard of feat. But the following night the Broncos suffered their first loss of the year at the hands of the same quintet they had humiliated the night before. But each opponent in that pre-season taught the Bronco hardcourters a little more about themselves and their game. The potential would soon blossom.

The opening night of league play was a disappointment for Santa Clara. Against rival USF on the Dons home court, Broncos were unable to hold a 10-point lead and were defeated by two points. After this loss there was much criticism and many Santa

SCU SHINES IN WESTERN REGIONALS

Clarans were already writing the Broncos off for the season. But Dick Garibaldi and his crew had other ideas. After that initial loss, the hustling Broncos ran off 13 straight victories to take the WCAC title in one of the greatest winning streaks in Santa Clara history.

As WCAC titlists, Santa Clara was automatically seeded in the Western Regionals of the NCAA national tournament, held in Albuquerque, New Mexico. The first night the Broncos were pitted against 7th-ranked University of New Mexico Lobos on their home court. The result was one of the finest Bronco performances of the year. Garibaldi's charges easily handled the highly-touted Lobos to earn the right to go against top-ranked UCLA the following night. A win over the powerful Bruins was too much to ask of the Broncos, or anyone else. Lew Alcindor and company easily beat Santa Clara, but the Broncos gave a good account and Bronco rooters warned that they would be back next year.

This great "Year of the Bronco" also earned head coach Dick Garibaldi the title of Northern California Coach of the Year, a richly deserved honor. Dick will have the nucleus of his team back this year. So he and the Broncos will be a formidable force to contend with.

"Italian Straw Hat"

Hollywood Benefit Show

The second Annual Board of Fellows "Golden Circle Theatre Party," starring Bob Hope and Fess Parker took place this year at the San Jose Civic Auditorium, referred to affectionately by Mr. Hope as "The Garage". Again the show played to a standing-room-only audience.

Also performing on the program with Bob Hope and Fess Parker were Molly Bee, the Young Saints and "the Youth of America.

Mr. Fess Parker originated this event to raise funds toward the building of a Theatre-Music Complex on the Santa Clara campus. Said Mr. Parker, "It is my opinion that through the theatre and music Christian morality can reach the youth of our nation in a particular way perhaps no other method of communication can do. I am convinced that our nation's institutions of higher learning have a mandate to utilize the powerful medias of the spoken work--of drama and comedy and the lyrical voice of music."

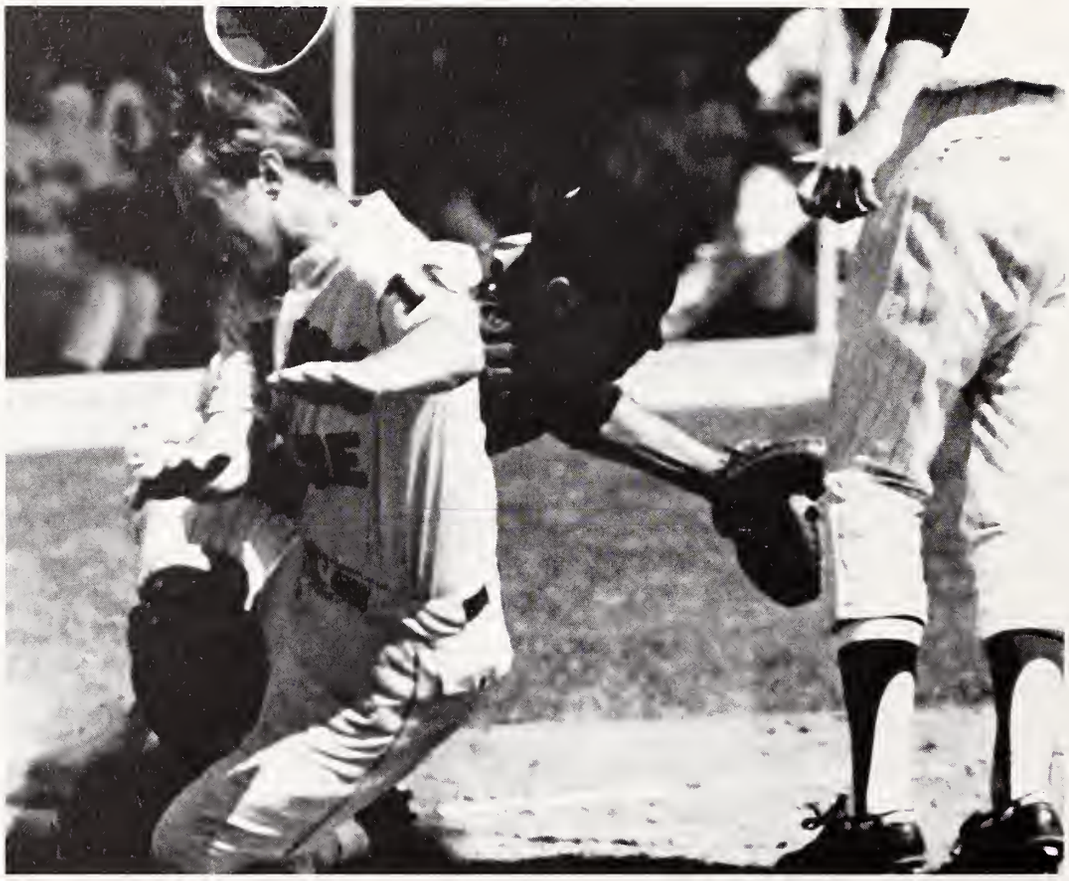
BRONCOS REACH NATIONAL DIAMOND RANKINGS



Before the start of the season, Coach Sal Taormina knew he would have a good baseball team, but no one had much of an idea how good. Pitching prospects looked only so-so, and hitting was a big question mark. Fred Ott would be playing first full season at third base. The same held true for Alvin Strane at second base and Hank Mott at first. The only established man in the infield was Albert Strane at Shortstop. But as the season began it slowly became evident that the Bronco bats would be singing a sweet song.

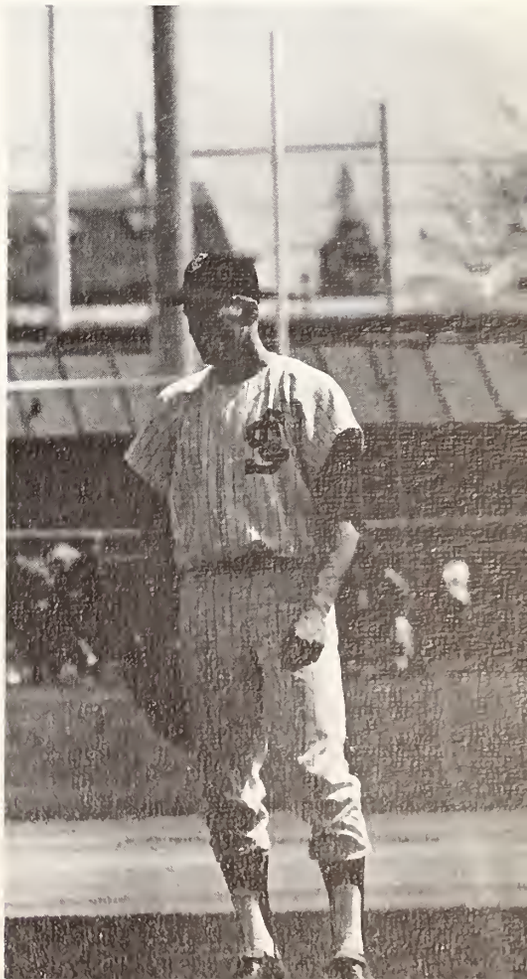
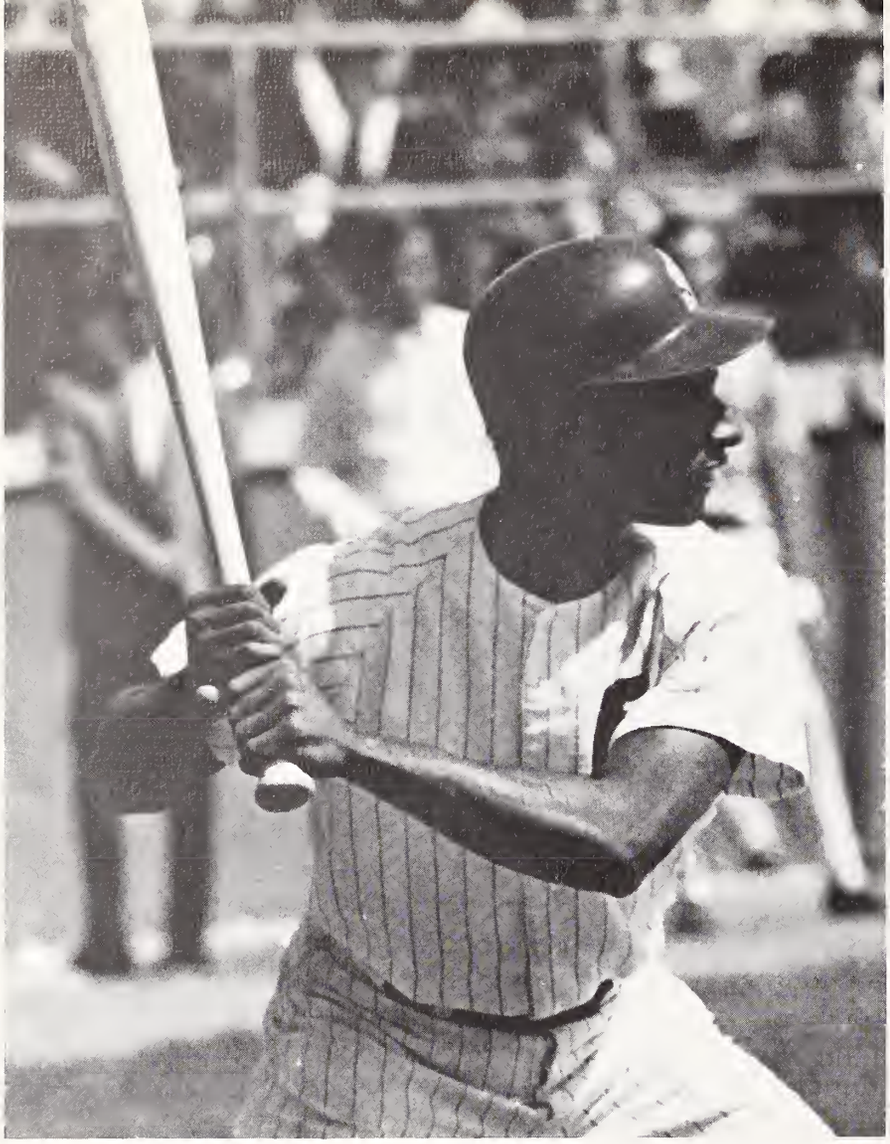
Alvin Strane showed he learned the art of hitting over the summer, getting many timely hits and running the bases with great speed. Hank Mott proved a great surprise at first. As a switch hitter Hank showed great power from either side of the plate. He combined with outfielder Rod Pommes and catcher John Mispagel to give the Broncos strong RBI punch. The biggest surprise of all may have been Fred Ott. The stocky third sacker hit at a .350 clip for most of the year to make the Bronco hitting machine a very potent one indeed. Also wielding a strong bat was shortstop Albert Strane, the slick fielder who gained fame last year by belting a homer off celebrated righthander Juan Marichal of the San Francisco Gaints.

Probably the strongest hitter of this entire fence-busting crew was Vince Bigone from St. Ignasius of San Francisco. Vince was a .400 hitter for the Broncos and made several All-American teams.

As a team, the Broncos made their way through a great season mostly on the strength of their outstanding hitting. But Sophomore Dennis Fitzgerald and Junior Jerry McClain gave the pitching staff a great lift when the going got tight. The Broncos coasted to the WCAC championship in its first year of existence and were ranked number six in the nation at the close of the regular season.





Three of the Broncos wins included a victory over western regional champion Southern California and two victories over highly regarded Stanford. On the strength of a fine season, the Broncos were invited to compete in the Western regionals of the College World Series tournament. Although Coach Taormina's team was beaten in the regionals, his '68 team will long be remembered as a team that kept coming back to win when it just didn't look like a victory was in the cards.

CLUBS AND ORGANIZATIONS

BETA GAMMA SIGMA

Beta Gamma Sigma is a national business honor fraternity represented by the Delta Chapter on campus. Its main functions are to encourage and reward scholarship and a accomplishment among the students of business administration, to promote the advancement of education in the art and science of business, and to foster integrity in the conduct of business operations.

Officers: Joe Sanfilippo, Jerry Mugnolo, Al Larson.

Dr. deBouvere, Dennis Smolarski, Bruce McLemore, Kathleen Weland, Russ Meredith, Tom Kropp.

PI MU EPSILON

Pi Mu Epsilon, a national honorary mathematics fraternity, is new this year to Santa Clara. After Professor Klosinski, Pi Mu Epsilon's faculty advisor, had written the petition, Santa Clara received its charter and chapter name, California Eta, in the fall term. The purpose of Pi Mu Epsilon is to promote scholarship, especially in the field of mathematics.

Craig Needham, Bob Mack, J. Terence Lyons, Daniel Sullivan, Victor Dirksen, Bill Klein.

ALPHA SIGMA NU

Alpha Sigma Nu is a national honor fraternity with chapters in many Jesuit colleges and universities across the nation. Membership on campus consists of two senior students from each of the colleges of Santa Clara. They are chosen for their distinguished qualities of scholarship, loyalty and service. The primary function of this organization is to investigate the academic problems of the school and give recommended solutions to the administration.

PHI ALPHA THETA

Phi Alpha Theta is an international society in history; its Lambda-Upsilon Chapter was established at Santa Clara in 1966. The organization seeks, first, to bring faculty and student historians together in activities related to their common interest, the study of history, and, second, to promote that study among other members of the university community.

During the year 1967-68, Lambda-Upsilon Chapter sponsored lectures, luncheons with distinguished scholars, panel discussions regarding graduate schools and departmental curricula, and informal social gatherings for students and professors.

MATH SOCIETY

The Mathematics Society presents lectures, movies and other events connected with mathematics. Through social gatherings held in conjunction with the other Science clubs, science majors are able to share their intersts and meet the faculty in a non-academic atmosphere. This year the Mathematics Society presented the 10th Annual High School Mathematics Contest in November, and the 11th Annual Freshman Math Contest in April.

PHYSICS SOCIETY

The Physics Society sponsors lectures, field trips, and research projects. This year the club heard Dr. William Hamilton speak on the special apparatus required for some current experiments, toured the Stanford Linear Accelerator Center, and sponsored several educational films. Members are assisting Dr. William Barker in two research projects, one on superconductivity and one on bombardments. Other members are assisting Dr. William Duffy in experiments involving low temperatures.

ACCOUNTING ASSOCIATION

The purposes of the Accounting Association are to promote student interest in the profession of accounting and to provide a link between accounting students and accounting firms. The club sponsors lectures by certified public accountants and representatives of local corporations, field trips to accounting offices and various social affairs for the members.

SITTING: Roger Kern, Frank Gollop, John Long. STANDING: Terry Adams, Roger La Voie, Michael Murphy, Dave Zacharias, Pat Mason.

ECONOMICS CLUB

The Economics Club works to further the understanding and application of the principles of economics among students of the University. The club holds academic seminars at the homes of economics professors and offers periodic presentations of papers and lecturers.

BAA

An organization open to all business majors, the Business Administration Association has two main objectives: the study of business problems and the encouragement of social activities among the business students. The BAA fosters prominent speakers for the benefit of its members, organizes field trips, and coordinates all of the societies, fraternities and professional groups representing the students in the School of Business.

Officers: Arnie Sallaberry, Gene Ceccotti, Mickey Bonasera.

FINANCE CLUB

The Finance Club is sponsored by the Business College and has as its main purpose the preparation of business majors to deal with problems such as they will encounter outside the classroom.

ROW I: Bob Holdsworth, John Callan, Mike Raab, president, Craig Seminoff, ROW II: Alan Hogan, Steve Kimball, Gerald Gomez, Federico Alfaro, Joe Losch, Chuck Flynn, Patrick Sullivan, Chuck Perrotta. ROW III: Greg Kassis, Gene Ceccotti, Dave Bassett, Al Larson, Joe Sanfilippo, Mitch Dabo, Ken Scott Ken Schneider.

Officers: Jack Dempsey, president, Jim Dawson, Bill Pailhe, Gary Frasinetti, Bill McGuiness.

MARKETING CLUB

The purpose of the Marketing Society is to develop concepts of marketing, to arrange for a series of informal discussions led by men of prominence in the marketing field, and to arrange inspection trips to industrial establishments in the Bay Area.

ENGINEERING SOCIETY

The Engineering Society represents an attempt to unify the Santa Clara engineers in a way not possible in the classroom. The Society provides a source of recognition to the rest of the University of the Bronco engineer. Unlike the technical societies (ASCE, ASME, and IEEE), the Engineering Society focuses on the social unification of its members. Picnics, banquets, ski trips and participation in Homecoming are some of the functions sponsored by the club; it also prints its own newspaper, the Santa Clara Engineer.

A S M E

The Santa Clara chapter of the A.S.M.E. is designed to develop in its members a professional awareness of the fields of mechanical engineering and related fields. Regular meetings are held featuring guest speakers and movies. Field trips to local firms and participation in the regional convention highlight the year's activities.

IEEE

The I.E.E.E. is the professional society which sets the standards for and disseminates information in the field of electrical engineering. The student branch at Santa Clara endeavors to keep students informed of the progress of electrical engineering and related areas.

ARCHAEOLOGICAL SOCIETY

Henry Bugatto, president, Kate Burleson, Phil Durrett, Richard Ronan.

The Archaeological Society promotes interest in the culture and history of the earliest inhabitants of California. It is primarily concerned with the discovery, extraction, preservation, and analysis of primary historical evidence in the form of artifacts found in this region.

SCCAP

The Santa Clara Christian Action Program offers the student the opportunity to escape the often times sheltering world of the university and enter into a challenging, Christian experience. The programs, geared to getting the student off the campus and into the community, are: Alviso Tutoring, Alviso Arts and Crafts, Alviso Sports Program, Agnew State Mental Hospital, JUST US, On Campus Tutoring, Big Brother, Big Sister, Play Days, Para-Professional (counseling delinquent children), Laurelwood School Project, CCD, and Amigos Anonymous.

ROW I: Martha Suto, Tom Ferguson, president, Joanne Fregosi, Jenelle Fitzgerald, Julie Bartek, Barbara Schefter; ROW II: Dean McGrath, Teppy Wozniak, Kathy O'Shea, Maureen Daley, Merry Mason, Peggy Charlton, Carolyn Kalb, Nancy Whittaker; ROW III: Cathy Cuenin, Marie Mackey, Claire Stoesser, Mary Perkins, Joan Cornelius, Judy Elliott, Pam Piering, Beth Kurzeka; ROW IV: Nancy Bouvier, Meg Kellogg, Michele Moran, Mary Metcalf, Larry Tobin; ROW V: Brian O'Hara, Jack McNamara, Henry Tramor, Dennis Smolarski, Greg Ford, Barney Alfs, Dave Barca, Joe Somerville.

ROW I: Mary Anne Nahm, Alana Hagood, Barbara Kennedy, Terry Martin, Jim Brozo. ROW II: Mike Friedrich, Kathy Fraga, Jack Massopust.

AMIGOS ANONYMOUS

The primary effort of Amigos Anonymous, a Christian student movement, is the maintenance of community developing projects in Mexico. Although run only in the summer vacation, the students return from year to year to continue their programs in the Mexican towns and villages. The Santa Clara members, working with other students from colleges and universities around the Bay Area, have been responsible for starting other Amigos organizations in Los Angeles and Seattle.

SANCTUARY SOCIETY

Among the oldest organizations at the University, the Sanctuary Society provides servers for the Masses and religious services of the Mission Church.

John Hanson, Mike Lenihan, Al Friedrich, Dennis Smolarski, Gerald Daly, Paul Sullivan, Henry Trainor, Jerry Crowley, Sean O'Suillibain.

SODALITY OF OUR LADY

The Sodality at Santa Clara is a religious association of men and women organized under the special patronage of the Blessed Virgin Mary for a threefold end: the sanctification of themselves, of others, and the defense of the Church. The Santa Clara Sodality is a pre-professional Sodality aiming toward the development of a spiritual approach to the professional committment required of a college graduate.

THE SANTA CLARA

The Santa Clara is the official weekly newspaper of the University. It publishes all news that has bearing on the academic, social, and spiritual life of the University, both on and off campus. The Santa Clara is the students—everything in the paper is by, about, and for the students and those directly concerned with them.

DSA

The Day Students' Assocation promotes the active participation of non-resident students in all campus activities. The association sponsors student dances and mixers and provides information on the activities of other campus groups to its members.

SIGMA DELTA UPSILON

Sigma Delta Upsilon is the University's service sorority. Its activities include assisting at University-sponsored functions, providing usherettes for social and athletic events, and operating a Big-Sister program.

KAPPA ZETA PHI

Kappa Zeta Phi is a group of select Santa Clara men dedicated to the service of the University. The main function of the organization is the handling of campus tours for elementary school children and prospective and future Santa Clara students, and assisting the administration in directing registration. In addition, Kappa Zeta Phi organizes pre-game rallies and special concerts, and assists the Homecoming Committee. The fraternity has also taken on community projects such as working at the Grail, an East San Jose group of lay social workers, and entertaining orphans.

E-CORPS

The E-Corps at Santa Clara is a fraternal organization started in 1964 by Pat Finley and Don Sullivan. Most of the members are engineers. The group has initiated and promoted such activities as social functions, colloquia, community services, and other affairs.

AMATEUR RADIO CLUB

The basic function of the Santa Clara University Amateur Radio Club is to bring students together who share a common interest. The main goal in revitalizing the club this year was to obtain space on campus in which a club station could be assembled, permitting the members who live on campus to enjoy and participate in their hobby while at school.

VIENNA

L to R: T. Gabriel; D. Flannery; M. McCoy; J. Woodard; S. Paff; M. Hunt; C. Nascimento; H. Weissensee; D. Hargleroad.

This is one of the statues at Michaeler Platz, at one of the entrances to the Hofburg complex.

The Santa Clara group again poses in front of statue of Mozart.

This is a very familiar landmark to students in Vienna, the Donner Fountain, situated in the Neuer Market.

SPAIN

Charleen Ortiz, Colleen Clampett and Mary Miller stop in front of tapestry at I.E.S. entrance hall.

Mary Miller and Charleen Ortiz relax in the Retiro, the park of the Kings of Spain.

Charleen Ortiz and Sue Ballard confer with Manolo Medina, the Director of the Institute of European Studies.

Students pause with their Art Professor at the Prado Museum.

Colleen Clampett and Charleen Ortiz pose in front of Instituto Cultura Hispanica.

Charleen Ortiz is busy at her typewriter, keeping up with school work.
